

## INTERPRETER PREP'S PRACTICE WRITTEN EXAM

This practice exam, will help you see how well prepared you are for the actual NBCMI Written Exam. Aside from assessing your strengths and weaknesses, you will be provided with the explanations to all the test questions. Test contains 51 questions

### Purchase Instructions

1. When you are ready to take the practice exam (please allow 60 minutes to complete test) click on the "Buy Now" button to purchase your practice test.
2. Once you complete your payment, you will receive an email containing a link. Click on that link to take the practice test. When you sit to take the test have a blank sheet of paper available to write down each answer.
3. After you finish and exit the test you will see your score. The passing score is 75% (same as it is on the actual NBCMI Written Exam).
4. Go over the correct answers. Write down the number of each of the questions you got wrong. Then use the provided grading key to see what areas you are weak in (cultural competency, medical terminology, etc.)-
